

CPS Mobile Stand Moto 86 - 110"

Item no.: 3354

Mobile stand system with electromotive height adjustment

The CPS Mobile Stand Moto 86 - 110" is a mobile stand system with electromotive height adjustment.

The stand system is suitable for screens with a size of 86 - 110" | 218 - 280 cm. The VESA mount can be fitted with a minimum of 400 x 200 mm to a maximum of 900 x 800 mm. The screen is mounted in landscape orientation.

The lift system is infinitely height adjustable using a wired touch control and has a stroke of 500 mm. The wired remote control can be stored on the side of the lift when the system is not in use.

The castors are equipped with locking brakes and thus ensures the necessary mobility on the one hand and guarantee a secure stand on the other.

The surfaces of the CPS Mobile Stand Moto 86 - 110" are finished with a solvent free, impact and scratch resistant black powder coating.

The load capacity is 160 kg.

An adapter set is optionally available which extends the VESA standard to max. 1500 x 800 mm. VESA adapter stripes 1500 | Item no.: 5085.
