

## CON-Line<sup>®</sup> Big W Lift 75 - 98"

Item no.: 2773

**Media column, floor-wall mounting, electrically height adjustable**

The CON-Line Big W Lift 75 - 98" is a media column for floor-wall mounting with an integrated lift. Due to its compact design, it can be placed almost anywhere.

The electro-motorised height adjustment is controlled via a push button control. It has four memory slots to save individual presets. The lift has a stroke of 500 mm and is equipped with collision protection, which means that the lift stops as soon as resistance is encountered.

It is suitable for screens with a size from 75" up to 98" | 191 - 249 cm. The fixed VESA mount can be fitted from VESA 200 x 200 mm min. up to VESA 800 x 400 mm max.. The screen is mounted in landscape format.

AV accessories are protected behind the front panel with sliding door incl. soft close. The removable AV mounting panel (2 pcs) makes the installation quick and easy.

A retractable security lock on the side of the corpus provide additional security.

Due to the space saving floor-wall mounting not much space is required. Levelling feet mounted underneath the corpus provide levelling if required.

The maximum load is 100 kg.

Other colour or decor variants (corpus) are available on request - also as unique piece.
