

HA Table Stand L

Table mount

Item no.: 8701

The table mount HA Table Stand L is suitable for single screens with a screen diagonal of 55 - 75" | 140 - 191 cm.

Screens can be mounted in landscape format. The VESA standards up to max. 600 x 400 mm are supported.

The mount can be tilted continuously between +5° and -10° and can also be swiveled ±35°.

The height can be varied between 583 and 733 mm using hook-in steps.

Thanks to a clever solution, the cabling disappears inside the table mount.

+5 / -10° tiltable

VESA up to 600 x 400 mm

incl. cable routing
