

## Floorstand OM55N-DS

### Free standing floorstand specifically for Samsung OM55N-DS

The Samsung OMN-DS series includes ultra-high-brightness screens specifically designed for use in shop windows. Modern shopping centers and shop windows are now small worlds of experience, visually enhanced with video or animation based promotional content.

The Floorstand OM55N-DS\* is a free standing floorstand specifically designed for these slim 55" screens from the innovative digital signage series.

The stable mounting system has a tilt proof base plate that allows free positioning in the room and offers maximum stability.

**Item no.: 1902**

Cable routing is integrated within the frame and the two support columns, ensuring a clean appearance.

The surface is black and finished with a solvent free, impact and scratch resistant powder coating.

Alternatively, a floor mounting system or a ceiling mount is available.
