

Braclabs[®]-Stand Floorbase

Stand system

The Braclabs-Stand Floorbase is a free-standing system for screens from 40 up to 55" | 102 - 140 cm, it is particularly characterized by its simple and quick assembly.

The VESA universal mount includes the VESA standards from min. 200 x 200 mm up to 600 x 400 / 400 x 600 mm max.. The screen can be mounted in landscape or portrait format.

The pin screw on the back enables the desired height to be secured.

Item no.: 1981

Cables are routed inside the column and remain almost completely invisible. A cable pulling aid is included.

Optionally a Braclabs Frontshelf (Item no.: 1984) can be installed.

A mobile version (Item no.: 1983) and a version for floor-mounting (Item no.: 1982) is also available.

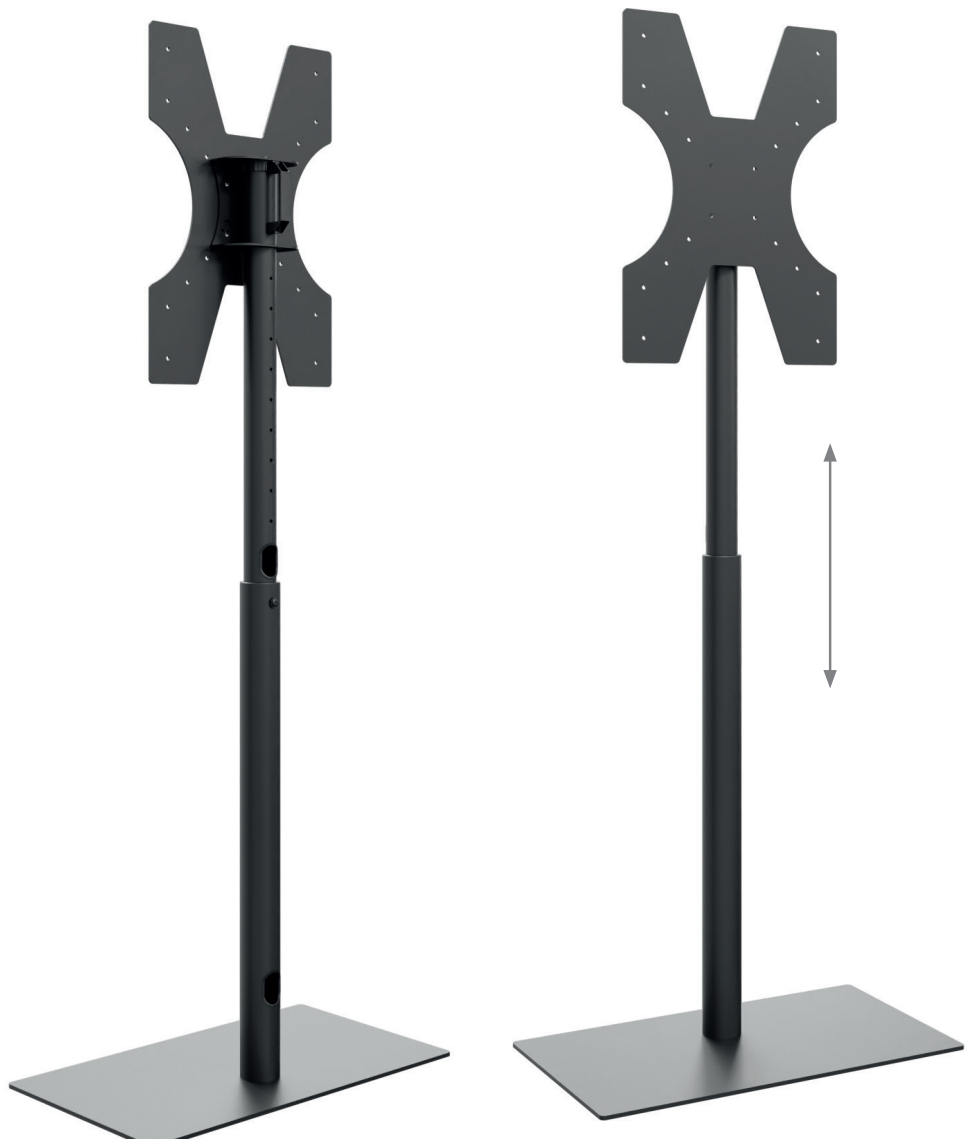

usefull cable pulling aid included

asymmetrical base allows positioning close to a wall
