

CON-Line[®] Big FS Cisco Webex Board Pro 75" Item no.: 2782

Media column, free standing, display specific

The CON-Line[®] Big FS Cisco Webex Board Pro 75" is a free standing media column, which has been designed display specific for Cisco Webex Board Pro 75".

The hole pattern of the system is designed and optimised for Cisco's collaboration room systems.

Locking screws on the screen mount secure the screen against unhooking and falling down. The screen is mounted in landscape format.

The tilt proof base plate ensures a stable stand.

AV accessories are protected behind the front panel with sliding door incl. soft close. The removable AV mounting panel (2 pcs) makes the installation quick and easy.

A retractable security lock on the side of the corpus provide additional security.

Other colour or decor variants (corpus) are available on request - also as unique piece.

Optionally, a side-by-side solution is possible to generate.
