

HP Hide-Flip II

foldable ceiling mount

Item no.: 3108

The HP Hide-Flip II is a foldable ceiling mount for a single screen with a screen size from 19" - 43" | 48 - 109 cm.

The VESA universal mount can be equipped with a minimum of 75 x 75 mm, 100 x 100 mm to a maximum of 200 x 200 mm.

The distance from the ceiling can be set variably and is at least 337 to a maximum of 431 mm, depending on the screen installed.

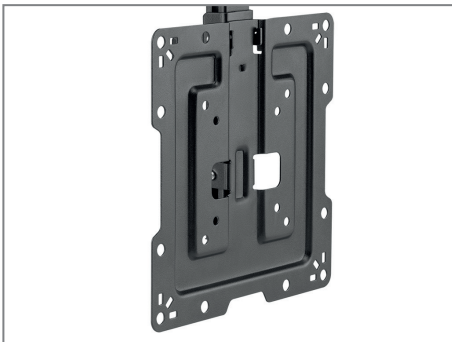

The bracket can be folded between 0° and -90°. The stable locking mechanism ensures a secure hold in the ceiling position.

When folded down, the holder can be swiveled by $\pm 45^\circ$, which enables an optimal alignment with the viewer.

The stable ceiling plate is equipped with practical key-hole holes and can also be easily mounted on sloping ceilings.

The surface of the HP Hide-Flip II is finished with a solvent free, impact and scratch resistant powder coating in black.

The maximum load is 20 kg.

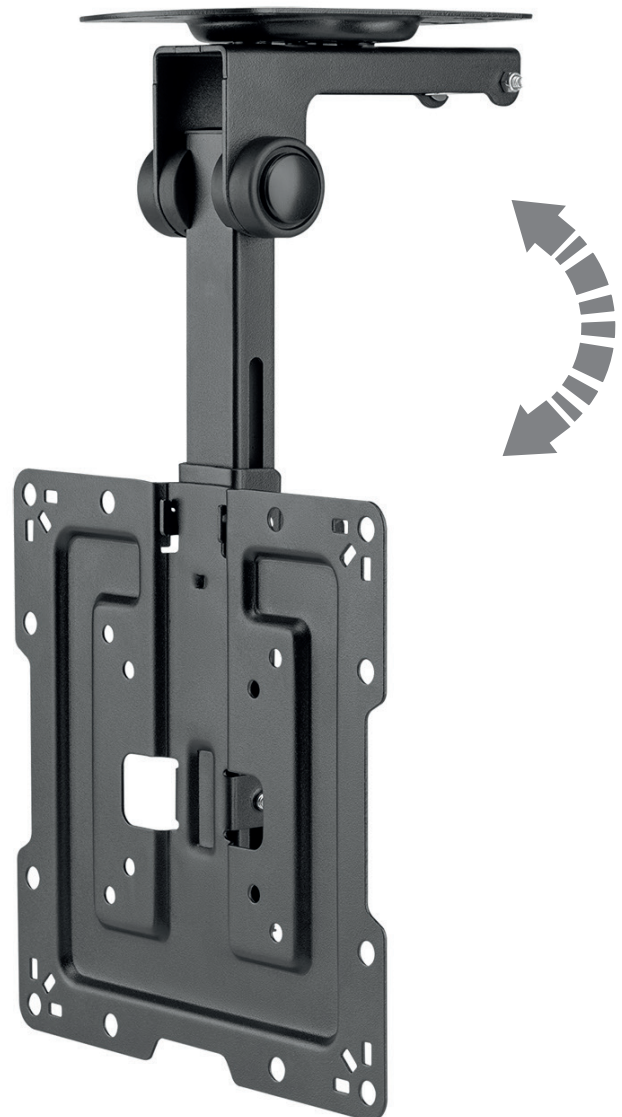

VESA min. 75 x 75 up to max. 200 x 200 mm

also suitable for sloping ceilings

space-saving folding of the mount
