

# CPS Mobile Stand Dual 43 - 55"

## Mobile display cart

The CPS Mobile Stand Dual 43 - 55" is a mobile display cart for 2 screens „side-by-side“ with a screen size of 43 - 55" | 109 - 140 cm.

The VESA mounts can be equipped up to a maximum VESA standard of 600 x 400 mm.

The height of the VESA mount is adjustable via the profile system and the individual VESA arms can be set at a tilt angle of -5° to +15°.

**Item no.: 3347**

The cable management takes place via cable clips along the column and along the aluminium rail.

Thanks to the castor set, which is equipped with lock-type brakes, the system can be safely fixed at the desired location.

The surfaces are finished with a solvent free, impact and scratch resistant powder coating in black.

Cable routing using clips along the rail

Rear cable routing along the pillar

Mobile, thanks to the castor set
