

WH OH46

Outdoor wall mount, display specific for Samsung OH46 series

The WH OH46 is a highly weather proof outdoor wall mount, which was developed specifically for the Samsung OH46 outdoor screen series.

The Samsung OH screens are already water proof and dust proof according to the IP56 standard and can be used in an ambient temperature range from -30 °C to +50 °C. In addition, the display front consists of 5 mm thick, robust protective glass, which has been certified with IK-10 (IK = European impact resistance level).

Item no.: 5864

The screen mount is display specific. It can be mounted in portrait or landscape orientation.

The surface of the wall mount is finished with a highly weather proof, corrosion resistant plastic powder coating in black (RAL 9005).

Portrait or landscape format possible
