

HP SHF OM55 Portrait

Wire rope bracket for ceiling mounting

Item no.: 8603

With the HP SHF OM55 Portrait, a wire rope bracket for ceiling mounting, advertising and offers can be presented in an attractive design, opening up completely new possibilities.

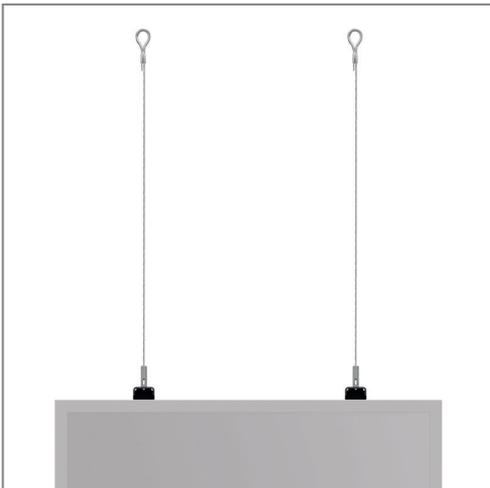

The wire rope has a maximum length of 5 m and can be shortened individually to suit the requirements. This makes it easy to mount the screen at the desired height.

The wire cable mount is particularly suitable for shop windows, restaurants, shopping centres and museums, but can also be used in many other areas.

The bracket and the back plate are customised for the Samsung OM55B and OM55N-S device series.

The surfaces are finished with a solvent free, impact and scratch resistant powder coating in black.

The maximum load is 25 kg.

Maximum rope length 5 m, can be shortened

Back plate and holder
